CoronaPlaza.Life Create an account and Login
https://CoronaPlaza.Life

The login page for Corona Plaza Life offers authentication with an account from Ama, Google, or Facebook. If you prefer not to use that option, read the **Tips** on the left half of the login page. As seen in the excerpt below, you will find a link to a **registration** page at the end of the second paragraph.

The text below is copied from Corona Plaza Life's login page.

Tips

You can see the "Connect with" in the next box. You can use them to get an account on CoronaPlaza.Life. We will connect with the service related to button you are going to click on, to retrieve your email address, your first name, your last name. We will not share any of your data (what you do on our website) with any of them.

If you do not have an account on either of those service, you can still proceed and manually create one. You have just to click it here. **https://coronaplaza.life/registeruser**
