* a provisional course towards certification – upon completion of this first module, further training may be completed with a certified Sounder Sleep System™ teacher trainer.

In both of my recent Sounder Sleep classes with Katarina, I've had profound experiences. With the mini-movies processes, her gentle manner and soothing voice have helped to guide me into a very deep, quiet, and peaceful place within. I am looking forward to being a part of her August Sounder Sleep training!

— Yonah Gershator, Mezzo-soprano, Feldenkrais® Practitioner, NYC

I have been studying “Focusing” and “Bones for life” with Katarina since 2018. Her classes, tutorials, and practice sessions enhance my ability to listen well, both through words and kinaesthetically through my hands, eyes, ears, and intuition. Katarina’s teaching led me to become a better hands-on practitioner. I highly recommend working with Katarina. She has an innate ability to help practitioners cue into our own nervous systems, teaching us to give space and time for listening to ourselves and others using our kinaesthetic senses.

— Minal S. Feldenkrais Practitioner, USA

Notes from other participants in Sounder Sleep System™ with Katarina Halm:

All mini-moves proposed (and softly guided) in the classes resulted not only in relaxation also in learning how to be “coming home”. Invaluable!

— Alfo Humano, Sincronía es Propósito, Focusing Trainer, Sounder Sleep System™ Teacher, www.alfohumano.com.ar

I am enjoying coming to Katarina’s sessions very much. Her welcoming plant-filled space allows me to feel very comfortable and her gentle and perceptive comments and guidance are most helpful! Corona Plaza is a fun meeting space where I have met interesting people from all over the world. Thank you very much for providing this lovely learning space!

— Sílvia, London, Feldenkrais Practitioner, Bones for Life Teacher, Sounder Sleep System™ Teacher, UK, June 2021

Katarina’s classes are full of deep educational aspects. Her pace makes practice easy. Having feedback from her gives safety.

— Yesim Alic, PhD Candidate, Feldenkrais Practitioner, Sounder Sleep System™ Teacher, May 2021

I find the Sounder Sleep exercises very relaxing, especially as introduced by Katarina Halm.
