QUESTION/NOTE #3

Corona Plaza Life sometimes lists a different start time. If the posted start time is different than the actual start time, then you cannot enter the Corona Plaza Life platform.

RESPONSE

Until recently the Corona Plaza Life notifications stated that the Zoom Room would be open one hour prior to the Webinar. Thus, if Corona Plaza Life lists a 10:00am start, it should open the room at 9:00am.

However, if Corona Plaza Life has not posted the 9:15am start time for the Tuesday class, and you cannot reach the Zoom Room, then I would send you a direct link to the Zoom meeting.
